

(WEEK 2)

The QES *Me to We Club* is organizing a **food drive!** As part of the global WE campaign called **WE Scare Hunger**, we will be collecting healthy non-perishable food items for The Table Community Food Centre.

WHAT? The Table is specifically looking for: canned meats (tuna, salmon, sardines), low-sugar cereals, pasta and pasta sauce. We will accept money donations.

WE WHEN? We will be collecting on Monday, Tuesday, and Wednesday next week (**28-30 October**). It is a 3-day blitz!! Mark your calendars!

WHY? The Table Community Food Centre serves people in the Perth area who are struggling to put healthy food on their own tables for their families and themselves.

WHO? All QES students and staff are encouraged to donate....that's 250 people

PRIZES, PRIZES, PRIZES! If QES meets its goal of 1 food item per person per day (total amount=750 items), the Principal will allow students and staff to wear **costumes on Halloween!** In addition, the class that donates the most (per person) will receive home-made specialty cupcakes...baked by Ms Warren herself! (Please note: \$1 donation = 1 food item)
